## THE SEASON OF FORTY DAYS

Ash Wednesday is the first day of the season of Lent, the 40 days (not counting Sundays), preceding Easter. The date of Easter falls on the Sunday after the full moon after the vernal equinox, as determined in AD 325. This year, it is March 31<sup>st</sup>.

“Lent” is from the Anglo-Saxon word for “lengthen,” as in the lengthening days of spring. This season has been observed by Christians since at least the early 2nd century. In Christian Scripture, the number 40 relates to the period spent by Noah in the Ark, the period spent by Israel seeking the Promised Land after the Exodus, and the amount of time Jesus was in the wilderness prior to beginning His ministry.

For us, the season of Lent is when the passion and death of Jesus come into focus. It’s observed as a time for growth in faith, as well as deepening the devotional life of faithful Christians. It’s an invitation to 40 days of renewal and preparation for the Good News of Easter through the disciplines of prayer, self-denial, and rededication.

The term “Ash Wednesday” was coined by Pope Urban II in 1099. Ashes from burning the past year’s Palm Sunday palms were used on this day of repentance to urge Christians to “remember that you are dust and to dust you shall return.”

For us, the “ash” part of Ash Wednesday represents our sorrow for our sins, our repentance, and our mortality. Receiving the Sacrament tonight reminds us that God’s love is triumphant over sin and death, that He remains “in communion” with us, and that through Christ’s redemptive act on the cross, our mortality is overcome.
